CESHS Hunt Team Over Fences

Open to riders of all ages on horses or ponies. Each team shall consist of three riders and their mounts, showing together over a course of fences. Each horse/rider will jump individual fences on the course, one after another, and individually. The team will then finish the round by jumping a final fence, three astride. To be judged on even hunting pace, manners, jumping style and teamwork over the course. Synchronization of the team over the final fence will be heavily weighed. Fences will be set at 2' and 2'6". (\$5.00 per person)
